

## Media Backgrounder

May 2020

Name: **Brett Flower**  
Title: **Facilitator | Founder, Business Renewal & Sustainable Growth Specialist**  
Business: **Ethical Leadership & Compliance Australia:**  
Location: **Sydney, Australia -**

Brett Flower has spent 30 years owning and managing businesses. From a humble trade background, where he started a HVAC business the day after he finished his mechanical Engineering Cadetship; through to his most recent role as MD of the multimillion-dollar international Engineering subsidiary Reinhausen Australia.

He has previously been the General Manager of the American Chamber of Commerce, an International Olympic Committee Relations and Protocol Manager for the 2000 Sydney Olympic Games and the National Sales and Marketing Manager of a wholesale Ski Company within the Tourism Industry.

Since 2016, Brett has advised organisations on Business Turnaround, cultural reform, sales & marketing strategy, corporate governance and workplace health & safety (WHS), providing business owners, aspiring leaders and managers, officers and front-line staff with a pathway to growth and long-term success.

Brett holds a Master of Business Administration (MBA) Majoring in Corporate Governance (HD), a diploma in WHS, is a graduate of the Australian Institute of Company Directors (GAICD) and a Certified Workplace Trainer & Assessor.
